The submissions on this file and the Inspector's report were considered at a Board meeting held on 10/10/2018.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the zoning objective for the site as set out in the Wexford Town & Environs Development Plan 2009 - 2015 (extended to 2019), to the design, layout and location of the proposed development and to the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual amenities of the area or the amenities of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application as amended by the further plans and particulars submitted on the 27th April 2018, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning

authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity

2. a) Amplified music or other specific entertainment noise emissions from the premises shall not exceed the background noise level by more than 3 dB(A) during the period 08.00 to 22.00 hours and by more than 1 dB(A) at any other time, when measured at any external position adjoining an occupied dwelling in the vicinity. The background noise level shall be taken as L90 and the specific noise shall be measured at LAeq.T.
- b) The octave band centre frequencies of noise emissions at 63 Hz and at 125 Hz shall be the subject to the same locational and decibel exceedence criteria in relation to background noise levels as set out in (a) above. The background noise levels shall be measured at LAeqT.
- c) The background noise levels shall be measured in the absence of the specific noise, on days and at times when the specific noise source would normally be operating; either
 - i. during a temporary shutdown of the specific noise source, or
 - ii. during a period immediately before or after the specific noise source operates.
- d) When measuring the specific noise, the time (T) shall be any 5 minute period during which the sound emission from the premises is at its maximum level.
- e) Any measuring instrument shall be precision grade.

Detailed plans and particulars indicating sound-proofing or other measures to ensure compliance with this condition shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. An acoustical analysis shall be included with this submission to the planning authority.

Reason: In order to protect the amenities of property in the vicinity having particular regard to the nuisance potential of low frequency sound emissions during night-time hours.

3. a) No music speakers or sound amplification of any kind will be placed on the external walls or roof.
- b) All entrance doors in the external envelope shall be tightly fitting and self-closing.
- c) All windows and roof lights shall be double-glazed and tightly fitting.
- d) Noise attenuators shall be fitted to any openings required for ventilation or air conditioning purposes.

Reason: In order to protect the amenities of property in the vicinity.

4. No awnings, canopies, roller shutters or additional external lighting shall be erected or displayed on the premises or within the curtilage of the site without prior grant of planning permission.

Reason: In the interest of visual amenity

5. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

6. Prior to commencement of development the applicant / developer shall agree in writing with the Planning Authority the artwork for the southeast elevation and any lighting associated with this artwork. Any subsequent changes to this artwork shall also be agreed in writing with the Planning Authority.

Reason: In the interest of visual amenity.

7. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and

off-site disposal of construction/demolition waste.

Reason: In the interest of public safety and residential amenity.

8. Site development and building works shall be carried out only between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

9. The developer shall facilitate the preservation, recording and protection of archaeological materials or features that may exist within the site. In this regard, the developer shall -
 - a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development,
 - b) employ a suitably-qualified archaeologist who shall monitor all site investigations and other excavation works, and
 - c) provide arrangements, acceptable to the planning authority, for the recording and for the removal of any archaeological material which the authority considers appropriate to remove.

In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.

Reason: In order to conserve the archaeological heritage of the site and to secure the preservation and protection of any remains that may exist within the site.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the

area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

11. The developer shall pay to the planning authority a financial contribution of €4,000.00 (four thousand euro) in respect of the shortfall of 4 no off street car parking spaces required to service this development that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. The application of any indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be

applied to the permission.
