At a meeting held on 10/01/2019, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed additional airfield maintenance and operational facilities and buildings at three airside locations at Dublin Airport.

The Board determined that the proposed development does not comprise strategic infrastructure, in accordance with the inspector's reasoning and recommendation. The planning application should be made to Fingal County Council in the first instance.
