At a meeting held on 13<sup>th</sup> November 2018, the Board considered the report of the Inspector as well as the documents and submissions on file.

The Board determined, generally in accordance with the Inspector's reasoning and recommendation, that the proposed development does not fall within one or more of the paragraphs specified in section 37A (2) of the Planning and Development Act, 2000, as amended, and therefore does not comprise strategic infrastructure.

The planning application should be made to Fingal County Council in the first instance.
