At a meeting held on 26th September 2018, the Board considered the report of the Senior Planning Inspector, as well as the documents and submissions on file.

The Board determined that the proposed development does not comprise strategic infrastructure as it would not satisfy any of the conditions contained in section 37A (2) (a), (b) or (c) of the Planning and Development Act, 2000, as amended.

The planning application should be made to Fingal County Council in the first instance.
