The submissions on this file and the Inspector's report were considered at a Board meeting held on 28/01/2019.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Killarney Town Development Plan 2009-2015 (as extended and varied), to the nature and scale of the development and to the existing pattern of development in this suburban location, it is considered that subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area, or of property in the vicinity and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars submitted on the 25th day of May 2018, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the

developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Notwithstanding the exempted development provisions of the Planning and Development Regulations 2001, and any statutory provision amending or replacing them, the existing guest house and the proposed apartment shall be occupied as a single integral unit, in single ownership and shall not be sold, let or otherwise transferred or conveyed, save as part of the existing guesthouse/dwelling on the site, as specified in the lodged documentation, unless otherwise authorised by a prior grant of planning permission.

Reason: In the interests of residential amenity.

3. Notwithstanding the provisions of Article 10(4) of the Planning and Development Regulations, 2001, or any statutory provisions replacing them, no room in the proposed apartment shall be used for the purposes of providing overnight paying guest accommodation unless authorised by a prior grant of planning permission.

Reason: In the interests of residential amenity.

4. The external finishes of the proposed apartment (including roof tiles/slates) shall be the same as those of the existing dwelling in respect of colour and texture. Samples of the proposed materials shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

5. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission
