At a meeting held on 16/04/2019, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed development of a 110kV 4-bay C-type electricity substation, cable end masts and overhead line in the townland of Tullamore, Listowel, County Kerry.

The Board determined, in accordance with the inspector's reasoning and recommendation, that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 5th day of September 2018, falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made directly to the Board.
