At a meeting held on 25/02/2019, the Board considered:

- (a) the objections made to the Compulsory Purchase Order,
- (b) the report of the person who conducted the oral hearing into the objections, and
- (c) the documents and submissions on file generally.

Having regard to the following;

- i. the policies and objectives of the Galway City Development Plan 2017 - 2023,
- ii. the community need, public interest served and overall benefits to be achieved from the proposed road development
- iii. the design of the proposed junction, constituting a design response that is proportionate to the identified need, and
- iv. the submissions and observations made at the Oral Hearing held on 17th January 2019 in the Maldron Hotel, Sandy Road, Galway,

the Board decided to confirm the Order without modification, as it considered that the permanent and temporary acquisition by the Local Authority of the land in question and the extinguishment of the public right of way, as set out in the Order, Schedules and on the Deposited Maps, are necessary for the purposes stated and the objections cannot be sustained, having regard to the said necessity.
