The submissions on this file and the Inspector's report were considered at a Board meeting held on 18/01/2019.

The Board decided to remove Condition No. 2 from the grant of permission, in accordance with the Inspector's recommendation, on the basis that the proposed form and design of the first floor extension to the rear is acceptable and appropriate, would not seriously injure the amenities of the area or of property in the vicinity, and would, therefore, be in accordance with the proper planning and sustainable development of the area.
