At a meeting held on 20/03/2019, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed development, consisting of 110Kv/220Kv cable and transformer, control container and electrical houses to facilitate the operation of five battery storage units and four rotating stabilisers at Glencloosagh, Co. Kerry.

The Board determined that the proposed development, as set out in the plans and particulars received by the Board on 26<sup>th</sup> September, 2018, and as amended by the revised plans and details received by the Board on 11<sup>th</sup> December, 2018, does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should therefore be made in the first instance to Kerry County Council.
