At a meeting held on 20/02/2019, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed installation of series capacitors at three existing 400kV electrical substation sites at Dunstown Co. Kildare, Carrowdotia South Co. Clare and Ballynaheskeragh Co. Galway, as set out in the plans and particulars received by An Bord Pleanála on the 30<sup>th</sup> November 2018.

The Board determined that the proposed developments do not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that separate planning applications should be made in the first instance to Kildare, Clare and Galway County Councils respectively.
