The submissions on this file and the Inspector's report were considered at a Board meeting held on the 6th day of August 2019.

The Board determined, generally in accordance with the Inspector's recommendation, that, based on the information before it, the site was a vacant site within the meaning of the Urban Regeneration and Housing Act, 2015, as amended, for the period concerned, as set out in the entry in the Vacant Sites Register, for the following reasons and considerations.

Reasons and Considerations

Having regard to

- (a) the information submitted to the Board by the planning authority in relation to the entry of the site on the Vacant Sites Register,
- (b) the grounds of appeal submitted by the appellant,
- (c) the report of the Inspector,
- (d) the neglected condition of the site and the neglected condition of the structure thereon, which it is considered has adverse effects on existing amenities and on the character of the area,

the Board considers that it is appropriate that a notice be issued to the planning authority to confirm the entry on the Vacant Sites Register.
