The submissions on this file and the Inspector's report were considered at a Board meeting held on 04/06/2019.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to:

- (a) The provisions of the Dublin City Council Development Plan 2016-2022,
- (b) Sustainable Urban Housing: Design Standards for New Apartments-Guidelines for Planning Authorities (March 2018),
- (c) The Urban Development and Building Height - Guidelines for Planning Authorities (December 2018),
- (d) The existing pattern of development at this location,
- (e) The design, scale and layout of the proposed development, and
- (f) The submissions and observations on file,

It is considered that, subject to the compliance with the conditions set out below, the proposed development would be in accordance Development Plan policy, would not

detract from the visual amenities of the area, would not adversely affect the architectural heritage of the area, would be acceptable in the context of the amenities of adjoining properties and would be satisfactory in the terms of pedestrian and traffic safety and convenience. The proposed development would therefore, be in accordance with the proper planning and sustainable development of the area

## **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, and as amended by the further plans and particulars lodged with the application, and as amended by the further plans and particulars received on the 17<sup>th</sup> day of December 2018, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interests of clarity.

2. Details of materials, colours and textures of all external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to the commencement of development.

**Reason:** In the interests of visual amenity.

3. Details of works to footpaths and at the vehicular access point to the subject site, shall be submitted to and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** in the interest of proper planning and sustainable development.

4. Prior to commencement of development and subsequent to consultation with the National Transport Authority, the developer shall liaise with Dublin City Council regarding the interaction of the proposed development and the Dodder Greenway proposal.

**Reason:** in the interest of proper planning and sustainable development.

5. Car parking spaces provided within the development shall be permanently allocated to residential units, and not be sold, rented or otherwise sub-let or leased to any other parties.

Reason: in the interest of proper planning and sustainable development.

6. Proposals for an apartment numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all apartment numbers shall be provided in accordance with the agreed scheme. No advertisements/marketing signage relating to the name of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name.

**Reason:** In the interest of urban legibility

7. The developer shall facilitate the preservation, recording and protection of archaeological materials or features that may exist within the site. In this regard, the developer shall:
  - (a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development,
  - (b) employ a suitably-qualified archaeologist who shall monitor all site investigations and other excavation works, and
  - (c) provide arrangements, acceptable to the planning authority, for the recording and for the removal of any archaeological material which the authority considers appropriate to remove.

In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.

**Reason:** In order to conserve the archaeological heritage of the site and to secure the preservation and protection of any remains that may exist within the site.

8. No advertisement or advertisement structure, the exhibition or erection of which would otherwise constitute exempted development under the Planning and Development Regulations, 2001, or any statutory provision amending or replacing them, shall be displayed or erected on the building or within the curtilage of the site unless authorised by a further grant of permission.

**Reason:** In the interest of visual amenity.

9. No additional development shall take place above roof parapet level, including lift motor enclosures, air handling equipment, storage tanks, ducts or other external plant, telecommunication aerials, antennas or equipment, unless authorised by a further grant of planning permission.

**Reason:** To protect the residential amenities of property in the vicinity and the visual amenities of the area.

10. Drainage requirements including the attenuation and disposal of surface water shall comply with the requirements of the planning authority for such works.

**Reason:** To ensure adequate servicing of the development and to prevent Pollution.

11. Site development and building works shall be carried out only between the hours of 07.00 to 18.00 Mondays to Fridays inclusive, between 08.00 to 14.00 on Saturdays and not at all on Sundays and public holidays.

Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the amenities of property in the vicinity.

12. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including traffic management, noise management measures and off-site disposal of construction/demolition waste.

**Reason:** In the interest of public safety and the amenities of the area.

13. Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall be prepared in accordance with the “Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects”, published by the Department of the Environment, Heritage and Local Government in July, 2006. The plan shall include details of waste to be generated during site clearance and construction phases, and details of the methods and locations to be employed for the prevention, minimisation, recovery and disposal of this material in accordance with the provision of the Waste Management Plan for the Region in which the site is situated.

**Reason:** In the interest of sustainable waste management.

14. The management and maintenance of the proposed development, following completion, shall be the responsibility of a legally constituted management company, which shall be established by the developer. A

management scheme, providing adequate measures for the future maintenance of the development; including the external fabric of the buildings, internal common areas (residential and commercial), open spaces, landscaping, roads, paths, parking areas, public lighting, waste storage facilities and sanitary services, shall be submitted to and agreed in writing with the planning authority, before any of the residential or commercial units are made available for occupation.

**Reason:** To provide for the future maintenance of this private development in the interest of residential amenity and orderly development.

15. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.

16. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion of roads, footpaths, watermains, drains, open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the

developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

**Reason:** To ensure the satisfactory completion of the development.

17. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

18. The developer shall pay the sum of € 4,000 (four thousand euro) per residential unit, (updated at the time of payment in accordance with changes in the Wholesale Price Index – Building and Construction (Capital Goods), published by the Central Statistics Office), to the planning authority as a special contribution under section 48 (2)(c) of the Planning and Development Act 2000, in respect of the upgrading of public open space in the area, as determined by the planning authority. This contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate. The application of indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine.

**Reason:** It is considered reasonable that the developer should contribute towards the specific exceptional costs which are incurred by the planning authority which are not covered in the Development Contribution Scheme and which will benefit the proposed development.
