At a Board meeting (Strategic Infrastructure Division) held on the 31<sup>st</sup> May 2019, the Board considered the documents relating to the proposed alteration, and the report of the Inspector. In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard.

The Board decided, in accordance with its powers under section 146B(3)(a) of the Planning and Development Act, 2000, as amended, in accordance with the recommendation of the Inspector, and based on the reasons and considerations set out below, that the making of the alteration would not constitute the making of a material alteration of the terms of the development concerned, and the alteration shall be made accordingly. The Board decided not to invite submissions in relation to the matter.

## **REASONS AND CONSIDERATIONS**

Having regard to the terms of the development approved under section 37G of the Planning and Development Act, 2000, as amended, under An Bord Pleanála reference number ABP-300460-17, dated 25<sup>th</sup> June 2018, to the nature and limited scale of the alteration proposed, it is considered that the proposed alteration would not be likely to have any significant effect on the environment or on any European site, nor would it raise any other issues material to the proper planning and sustainable development of the area. The Board considered that the proposed alterations would not be material.
