The submissions on this file and the Inspector's report were considered at a Board meeting held on 24/05/2019.

The Board decided to refuse permission, generally in accordance with the Inspector's recommendation, for the following reasons and considerations.

Reasons and Considerations

The proposal would result in a loss of an on-street parking space and as such would endanger public safety by reason of obstruction of road users. The proposal would, therefore, be contrary to the proper planning and sustainable development of the area.
