ABP-303847-19

The submissions on this file and the Inspector's report were considered at a Board meeting held on 20th. June, 2019.

The Board treated this case under section 48 of the Planning and Development Act, 2000, as amended. The Board also decided that the planning authority be directed, as follows:

Attach condition number 1

Reasons and Considerations.

Having regard to government policy in respect of Development Contributions, as expressed in Circular PL 03/2018, and the exemptions provided for in section 19 and 19(e) of the Monaghan Local Authorities General Development Contribution Scheme 2013-2019, it is considered that the terms of the Development Contribution Scheme have been properly applied.

In not agreeing with the Inspectors recommendation the Board considered that it was bound by the terms of the current Monaghan Local Authorities General Development Contribution Scheme 2013-2019 and as the Application in question is for a proposal that does not provide **solely** for broadband infrastructure, the exemption claimed does not apply.
