At a meeting held on 12/11/2019, the Board considered:

- (a) the objections made to the Compulsory Purchase Order,
- (b) the report of the Inspector who held the oral hearing and
- (c) the documents and submissions on file generally.

The Board decided to confirm the Order without modification

Reasons and Considerations

Having considered the objections made to the compulsory purchase order and the report of the person who conducted the oral hearing into the objections, and having regard to the provisions of the Water Framework Directive (2000/60/EC), the Urban Wastewater Treatment Directive (91/271/EEC), the current Cork Co. Council Development Plan 2014-2020, and the East Cork District Local Area Plan, it is considered that the acquisition of lands, wayleaves, rights of way and temporary working areas by Irish Water is necessary for the purposes stated in the order and the objections cannot be sustained having regard to the said necessity.
