The submissions on this file and the Inspector's report were considered at a Board meeting held on 28/06/2019.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the scale and nature of the proposed change of use development within Unit no. 6, its location on lands zoned for 'GE' General Employment uses and within the Abbey Business Park and within the designated Baldoyle Industrial Estate lands and to the detailed policies and objectives of the Fingal County Development Plan 2017 to 2023, it is considered that subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential amenities of the area, and would be acceptable in terms of traffic safety and convenience. The proposed development would therefore, be in accordance with the proper planning and sustainable development of the area.

### **Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application and by the further plans and particulars received by An Bord Pleanála on the 11th day of March, 2019, except as may otherwise be required in order to comply with the following

conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Prior to the commencement of development, details of the following shall be submitted to, and agreed in writing with, the planning authority: -
  - (a) A Business Plan which shall include details of the office uses, hours of operation and the Management of the Enterprise Centre within unit no. 6.
  - (b) Drawings showing 5 no. additional on-site parking spaces allocated to unit no. 6 providing a total of 7 spaces permanently allocated to the unit only and a written agreement that these can be provided.
  - (c) Drawings showing the bicycle parking area.
  - (d) Drawings showing the Communal bin storage area for the Unit.

**Reason:** In the interest of amenity and clarity.

3. No advertisement or advertisement structure, the exhibition or erection of which would otherwise constitute exempted development under the Planning and Development Regulations 2001, or any statutory provision amending or replacing them, shall be displayed or erected (on the building/within the curtilage of the site) unless authorised by a further grant of planning permission.

**Reason:** In the interest of visual amenity.

4. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works.

**Reason:** To ensure adequate servicing of the development, and to prevent pollution.

5. All public services to the proposed development, including electrical, telephone cables and associated equipment shall be located underground throughout the entire site.

**Reason:** In the interests of amenity.

6. Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
