The submissions on this file and the Inspector's report were considered at a Board meeting held on 12<sup>th</sup> July 2019.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided, based on the Reasons and Considerations set out below, that the planning authority be directed, as follows:

Remove condition number 3

### **Reasons and Considerations**

Having regard to the nature and scale of the proposed development and the pattern of development in the area, including the terraced character of the streetscape, it is considered that the modifications to the proposed development, as required by the planning authority in its imposition of condition number 3, are not warranted, and that the proposed development, with the omission of condition number 3, would not have a significant impact on the residential or visual amenities of the area, and would, therefore, be in accordance with the proper planning and sustainable development of the area.
