The submissions on this file were considered at a Board meeting held on 7/3/2019.

The Board decided to refuse leave to appeal based on the reasons and considerations set out below.

Reasons and Considerations

It is considered that it has not been shown that the development in respect of which a decision to grant permission has been made will differ materially from the development as set out in the application for permission by reason of conditions imposed by the planning authority to which the grant is subject, including the conditions referred to in the application for leave to appeal, and it has not been shown that the imposition of these conditions will materially affect the applicant's enjoyment of the land adjoining the land in respect of which it has been decided to grant permission, or reduce the value of the land.
