The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of the 26th day of November, 2019 by amending the second paragraph of the Stage 2 Appropriate Assessment section of its Order

It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly the Board hereby amends the above-mentioned decision by amending the second paragraph of the Stage 2 Appropriate Assessment section of its Order in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

Stage 2 Appropriate Assessment

The Board considered the Natura impact statement and all other relevant submissions and carried out an appropriate assessment of the implications of the proposed development for European Sites in view of the sites' conservation objectives, South Dublin Bay and River Tolka Estuary Special Protection Area (Site Code: 004024) and North Bull Island Special Protection Area (Site Code: 004006).
