At a meeting held on 23/10/2019, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed provision of a line bay extension within the existing Cushaling 110kV substation, County Offaly, as set out in the plans and particulars received by An Bord Pleanála on the 8th day of July, 2019.

The Board determined that the proposed development does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Offaly County Council.
