Pleanála

**Board Direction**  
**BD-004377-19**  
**ABP-305058-19**

The submissions on this file and the Inspector's report were considered at a Board meeting held on 30/10/2019.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

In coming to its decision the Board had regard to the following :

- (a) the policies and objectives in the Wicklow County Development Plan 2016-2022 and the Bray Municipal District Local Area Plan 2018-2024;
- (b) the Rebuilding Ireland Action Plan for Housing and Homelessness 2016;
- (c) the Guidelines for Sustainable Residential Developments in Urban Areas and the accompanying Urban Design Manual – a Best Practice Guide, issued by the Department of the Environment, Heritage and Local Government in May 2009;
- (d) the Sustainable Urban Housing: Design Standards for New Apartments Guidelines for Planning Authorities prepared by the Department of Housing, Planning and Local Government in March 2018;
- (e) Urban Development and Building Heights Guidelines for Planning Authorities, prepared by the Department of Housing, Planning and Local Government in December 2018;
- (f) the nature, scale and design of the proposed development;

(g) the availability in the area of a wide range of social, community and transport infrastructure,

(h) the pattern of existing and permitted development in the area,

(i) the submissions and observations received and

(j) the report of the Inspector.

It is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area or of property in the vicinity and would be acceptable in terms of pedestrian and traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

### **AA Screening Paragraph.**

### **EIA Paragraph.**

### **Conditions**

1. The proposed development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars. In default of agreement, such issues may be referred to An Bord Pleanála for determination.

**Reason:** In the interest of clarity.

2. The street layout of the proposed development shall be amended as follows:

(a) the 9 no Parking spaces tot eh south of the “New Access road” to the western edge of the parking area for the main retail unit shall be omitted.

(b) The internal street network serving the proposed development, including service bays, junctions, sight distances, footpaths and kerbs shall be in accordance with the detailed requirements of the planning authority for such works, and shall comply in all respects with the provisions of the Design Manual for Urban Roads and Streets.

(c) To facilitate connectivity and permeability, the finished surface of all footpaths that are shown as future possible access shall meet up to site boundaries without the provision of a grass verge or ransom strip.

(d) Cycle tracks within the development shall be in accordance with the guidance provided in the National Cycle Manual.

Revised drawings showing compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of pedestrian and traffic safety, and in order to comply with national policy in this regard.

3. The proposed development shall be amended as follows:

(a) Surface car parking spaces 109-183 (inclusive) along the access street from the Southern Cross Road shall be redesigned to include an increased number of landscaped build-outs, to include appropriately scaled street trees. This will result in a net loss of car parking spaces.

(b) The covered bicycle storage area associated with duplex units shall be relocated to and take the place of surface car parking spaces 19, 20 and 21, the area that remains shall be landscaped and incorporated into the linear open space south of Mountainview Drive.

(c) The first floor bathroom windows associated with all house types D, B1, B2 and B3 shall be fitted with obscure glazing.

Revised drawings showing compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of residential amenity of existing and future occupants and to encourage more sustainable modes of transport.

4. The development shall be carried out on a phased basis, in accordance with a phasing scheme which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of any development.

**Reason:** To ensure the timely provision of services, for the benefit of the occupants of the proposed dwellings.

5. The development hereby permitted shall be carried out and completed at least to the construction standards set out in the planning authority's Taking in Charge Housing Estate Policy. Following completion, the development shall be maintained by the developer, in compliance with these standards, until taken in charge by the planning authority.

**Reason:** In the interest of the amenities of the occupants of the proposed housing.

6. Proposals for an estate/street name, unit numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all estate and street signs, and apartment numbers, shall be provided in accordance with the agreed scheme. The proposed name(s) shall be based on local historical or topographical features, or other alternatives acceptable to the planning authority. No advertisements/marketing signage relating to the name(s) of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name(s).

**Reason:** In the interest of urban legibility and to ensure the use of locally appropriate placenames for new residential areas.

7. (a) Selected colour render proposed for apartment blocks 1 and 2 only shall be replaced with a brick finish on the southern elevations fronting onto the SCR.

(b) Details and samples of the materials, colours and textures of all the external finishes to the proposed development including, signage, pavement finishes and bicycle stands shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of the visual amenities of the area.

8. Notwithstanding the provisions of the Planning and Development Regulations 2001, or any statutory provision amending or replacing them, no advertisement signs (including any signs installed to be visible through the windows), advertisement structures, banners, canopies, flags, or other projecting elements shall be displayed or erected on the buildings or within the curtilage of the site, unless authorised by a further grant of planning permission.

**Reason:** To protect the visual amenities of the area.

9. No additional development shall take place above roof parapet level, including lift motor enclosures, air handling equipment, storage tanks, ducts or other external plant, telecommunication aerials, antennas or equipment, unless authorised by a further grant of planning permission.

**Reason:** To protect the residential amenities of property in the vicinity and the visual amenities of the area.

10. All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site. In this regard, ducting shall be provided to facilitate the provision of broadband infrastructure within the proposed development.

**Reason:** In the interest of orderly development and the visual amenities of the area.

11. All plant including extract ventilation systems and refrigerator condenser units shall be sited in a manner so as not to cause nuisance at sensitive locations due to odour or noise. All mechanical plant and ventilation inlets and outlets shall be sound

insulated and/or fitted with sound attenuators to ensure that noise levels do not pose a nuisance at noise sensitive locations.

**Reason:** In the interest of residential amenity.

12. Water drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services. The following specific requirements shall be submitted to and agreed in writing with the planning authority prior to commencement of development, unless otherwise stated:

(a) The phasing and decommission arrangements concerning the 750mm surface water pipe that runs along the northern portion of the site.

**Reason:** In the interest of public health.

13. (a) All foul sewage and soiled water shall be discharged to the public foul sewer.

(b) Only clean, uncontaminated storm water shall be discharged to the surface water drainage system.

**Reason:** In the interest of public health.

14. The applicant or developer shall enter into water and/or waste water connection agreement(s) with Irish Water, prior to commencement of development.

**Reason:** In the interest of public health.

15. The landscaping scheme as submitted to An Bord Pleanála shall be carried out within the first planting season following substantial completion of external construction works.

All planting shall be adequately protected from damage until established. Any plants which die, are removed or become seriously damaged or diseased, within a period of five years from the completion of the development shall be replaced within the next

planting season with others of similar size and species, unless otherwise agreed in writing with the planning authority.

**Reason:** In the interest of residential and visual amenity.

16. The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company. A management scheme providing adequate measures for the future maintenance of public open spaces, roads and communal areas shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** To provide for the satisfactory future maintenance of this development in the interest of residential amenity.

17. Prior to commencement of development, the developer or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.

18. The proposed development shall make provision for the charging of electrical vehicles. All car parking spaces serving the development shall be provided with electrical connections, to allow for the provision of future charging points and in the case of 10% of each of these spaces, shall be provided with electrical charging points by the developer. Details of how it is proposed to comply with these requirements, including details of design of, and signage for, the electrical charging

points and the provision for the operation and maintenance of the charging points (where they are not in the areas to be taken in charge) shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** in the interests of sustainable transportation.

19. A plan containing details for the management of waste within the development, including the provision of facilities for the storage, separation and collection of the waste and, in particular, recyclable materials shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Thereafter, the waste shall be managed in accordance with the agreed plan.

**Reason:** To provide for the appropriate management of waste and, in particular recyclable materials, in the interest of protecting the environment.

20. Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall be prepared in accordance with the “Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects”, published by the Department of the Environment, Heritage and Local Government in July 2006.

**Reason:** In the interest of sustainable waste management.

21. Site development and building works shall be carried out only between 0700 to 1900 hours Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

22. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and off-site disposal of construction/demolition waste. The plan shall also provide an Invasive Species Management Plan to ensure there is no risk of contaminated material leaving the site and the appropriate authorities have been notified of the presence of Invasive Alien Species (IAS) on the site.

**Reason:** In the interests of public safety and residential amenity.

23. A detailed construction traffic management plan shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. The plan shall include details of arrangements for routes for construction traffic, parking during the construction phase, the location of the compound for storage of plant and machinery and the location for storage of deliveries to the site.

**Reason:** In the interests of public safety and residential amenity.

24. The developer shall facilitate the archaeological appraisal of the site and shall provide for the preservation, recording and protection of archaeological materials or features which may exist within the site. In this regard, the developer shall:

(a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development, and

(b) employ a suitably-qualified archaeologist prior to the commencement of development. The archaeologist shall assess the site and monitor all site development works.

The assessment shall address the following issues:

(i) the nature and location of archaeological material on the site, and

(ii) the impact of the proposed development on such archaeological material.

A report, containing the results of the assessment, shall be submitted to the planning authority and, arising from this assessment, the developer shall agree in writing with the planning authority details regarding any further archaeological requirements (including, if necessary, archaeological excavation) prior to commencement of construction works.

In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.

**Reason:** In order to conserve the archaeological heritage of the area and to secure the preservation (in-situ or by record) and protection of any archaeological remains that may exist within the site.

25. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.

**Reason:** To ensure the satisfactory completion and maintenance of the development until taken in charge.

26. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.

**Board Member**
