The submissions on this file and the Inspector's report were considered at a Board meeting held on 24/04/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the location of the site on residentially zoned lands in the Kill Town Development Plan and to the compliance with the development management standards for backland development in the Kildare County Development Plan 2017-2023, to the acceptable scale and design of the dwelling, it is considered that subject to compliance with conditions set out below, the proposed development would not result in haphazard development or seriously injure the residential amenities of the area or of property in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application to the Planning Authority on the 31st May 2019, except as may otherwise be required in order to comply with the following conditions. Where such conditions

require details to be agreed in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed dwelling shall be submitted to, and agreed in writing with the planning authority prior to commencement of development.

Reason: In the interest of visual amenity.

3. The dwelling shall be occupied as a single dwelling unit and shall not be sub-divided or used for any commercial purposes.

Reason: In the interest of residential amenity.

4. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

5. All service cables associated with the proposed development (such as electrical, telecommunications and communal television) shall be located underground.

Reason: In the interests of visual and residential amenity.

- 6 The proposed development shall be amended as follows:

The two ground floor bedroom windows on the southern elevation shall be omitted. Revised elevation and floor plan drawings showing compliance with this requirement shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interests of road safety, visual amenity, and sustainability.

- 7 Prior to commencement of development details of a hard and soft landscaping plans for the site incorporating native/indigenous species shall be submitted to, and agreed in writing with, the Planning Authority. A timeframe for the implementation of the landscaping proposals shall also be submitted.

Reason: In the interest of visual amenity.

- 8 Prior to the commencement of development the developer shall enter into water and waste-water connection agreements with Irish Water.

Reason: In the interest of public health.

- 9 Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the amenities of property in the vicinity.

- 10 The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefitting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developers or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission
