Re: Amending Board Order

S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 20/07/2021.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of the 15th of January 2020 by amending Condition 4(a)(viii)

The Board decided that;

- (1) it is appropriate to amend its Order dated the 15th of January 2020 in order to facilitate the permission/decision where the amendment may reasonably be regarded as having been contemplated by either a particular provision of the permission/decision or the terms of the permission/decision which were not expressly provided.

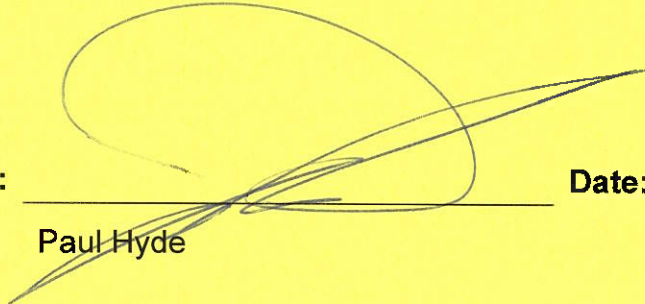

It is considered that amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly the Board hereby amends the above-mentioned decision by amending Condition 4(a)(viii) in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended, as follows:

4. (a) (viii) Construction traffic shall only use the Kilcoole Road junction to access the site.
