The submissions on this file and the Inspector's report were considered at a Board meeting held on 12/12/2019.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided, based on the Reasons and Considerations set out below / set out on the attached copy of the Inspector's report, that the planning authority be directed, as follows:

Remove condition number 3

Reasons and Considerations

Having regard to the nature and scale of the proposed development and the existing pattern of development in the area, it is considered that the installation of a sliding gate would not adversely affect the character or setting of the protected structure or not seriously injure the amenities of the area or of property in the vicinity and would, therefore, be in accordance with the proper planning and sustainable development of the area.
