The submissions on this file and the Inspector's report were considered at a Board meeting held on 07/01/2020.

The Board decided, generally in accordance with the Inspector's recommendation, to approve the making of the proposed amendments to the Planning Scheme for the Cherrywood Strategic Development Zone (SDZ) for the following reasons and considerations.

### **Reasons and Considerations**

Having regard to:

- the planning history of the Cherrywood SDZ Planning Scheme approved by An Bord Pleanála on the 25<sup>th</sup> day of April 2014, and to the overall scope and objectives of the approved planning scheme,
- the nature of the proposed amendments which follow from updated Ministerial Planning Guidelines (made under section 28 of the Planning & Development Act 2000, as amended) in relation to residential development standards for car parking, and
- the report of the inspector,

the Board considered that the proposed amendments satisfy the criteria of section 170A(3)(b) of the Planning and Development Act 2000, as amended, are minor and

therefore would not be of such a nature as to affect the overall scope of the scheme or require a more fundamental review procedure to be followed.

Accordingly, having regard to the overall provisions of Section 170A of the Act, the proposed amendments would not be material, given the limited potential to impact on the overall scheme objectives or the character of the overall Cherrywood Planning Scheme area.

The Board adopted the screening assessment carried out by the inspector in relation to the requirement for Strategic Environmental Assessment (SEA) and Appropriate Assessment (AA). The Board agreed with his conclusion that the need for SEA or AA does not arise, owing to the limited nature of the proposed amendments and the scope of the original SEA and AA procedures already completed for the adopted scheme.
