The submissions on this file and the Inspector's reports were considered at a Board meeting held on 20/05/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Dun Laoghaire-Rathdown County Development Plan 2016 – 2022 and the zoning of the site for residential purposes, to the location of the site in an established urban area within walking distance of the Salthill and Monkstown DART station and to the nature, form, scale, density and design of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1.	The development shall be carried out and completed in accordance with the plans and particulars lodged with the application submitted on the 5 th of June 2019 and as amended by the further plans and particulars submitted on the 17 th of September 2019 , except as may otherwise be required in
----	--

	<p>order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>The developer shall comply with all the conditions of the previous parent permission granted under PA Ref. D17A/0590/ ABP Ref. ABP-301533-18 unless required to do so otherwise by any condition attached to this permission.</p> <p>Reason: In the interest of clarity.</p>
3.	<p>This permission is for 72 no. residential units in the form of 34 no. one bedroom apartment units and 38 no. two bedroom apartment units.</p> <p>Reason: In the interest of clarity.</p>
4.	<p>Details of the materials, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
5.	<p>The internal road and pedestrian networks serving the proposed development, including turning bays, junctions, parking areas, footpaths and kerbs and the underground car park shall be in accordance with the detailed standards of the planning authority for such works.</p> <p>Reason: In the interest of amenity and of traffic and pedestrian safety.</p>
6.	<p>The developer shall ensure that all cycle parking areas and facilities be designed and provided in accordance with the Dun Laoghaire - Rathdown</p>

	<p>County Council – ‘Standards for Cycle Parking and associated Cycling Facilities for New Developments’ (January 2018).</p> <p>Reason: In the interest of sustainable development and in the interest of proper planning.</p>
7.	<p>Proposals for a development name, unit numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all estate and street signs, and apartment unit numbers, shall be provided in accordance with the agreed scheme. The proposed name shall be based on local historical or topographical features, or other alternatives acceptable to the planning authority. No advertisements/marketing signage relating to the name of the development shall be erected until the developer has obtained the planning authority’s written agreement to the proposed name.</p> <p>Reason: In the interest of urban legibility and to ensure the use of locally appropriate placenames for new residential areas.</p>
8.	<p>Drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.</p> <p>Reason: In the interest of public health.</p>
9.	<p>The applicant or developer shall enter into water and/or wastewater connection agreement(s) with Irish Water, prior to commencement of development.</p> <p>Reason: In the interest of public health.</p>

10.	<p>To ensure full implementation of the proposed landscape plan, the developer is required to retain the services of a Landscape Consultant throughout the life of the site development works. A completion certificate is to be signed off by the Landscape consultant when all works are completed and in line with the submitted landscape drawings. This completion certificate shall be submitted to the Planning Authority for written agreement upon completion of works.</p> <p>Reason: In the interest of amenity.</p>
11.	<p>Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays inclusive, between the hours of 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.</p> <p>Reason: In order to safeguard the amenities of property in the vicinity.</p>
12.	<p>Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall be prepared in accordance with the “Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects”, published by the Department of the Environment, Heritage and Local Government in July 2006. The plan shall include details of waste to be generated during site clearance and construction phases, and details of the methods and locations to be employed for the prevention, minimisation, recovery and disposal of this material in accordance with the provision of the Waste Management Plan for the Region in which the site is situated.</p> <p>Reason: In the interest of sustainable waste management.</p>

13.	<p>That all necessary measures be taken by the contractor to prevent the spillage or deposit of clay, rubble or other debris on adjoining roads during the course of the works.</p> <p>Reason: To protect the amenities of the area.</p>
14.	<p>All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site.</p> <p>Reason: In the interest of orderly development and the visual amenities of the area.</p>
15.	<p>Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing in accordance with the requirements of section 94(4) and section 96(2) and (3) (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate shall have been applied for and been granted under section 97 of the Act, as amended. Where such an agreement is not reached within eight weeks from the date of this order, the matter in dispute (other than a matter to which section 96(7) applies) may be referred by the planning authority or any other prospective party to the agreement to An Bord Pleanála for determination.</p> <p>Reason: To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan of the area.</p>
16.	<p>Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in</p>

	<p>connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Bord Pleanála for determination.</p> <p>Reason: To ensure the satisfactory completion and maintenance of the development until taken in charge.</p>
17.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
