At a meeting held on 12/07/2019, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed development consisting of a new 110kV substation, underground cable and associated infrastructure within the existing Gorman 220kV substation compound, Causetown, County Meath.

The Board determined, in accordance with the Inspector's reasoning and recommendation, that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 25<sup>th</sup> day of November 2019, as amended by the further plans and particulars received on the 9<sup>th</sup> day of June 2020, does not fall within the scope of section 182A of the Planning and Development Act, 2000, as amended, and that a planning application should be made to Meath County Council in the first instance.
