### **Reasons and Considerations**

Having regard to the scale and nature of the development proposed for retention and completion and to the pattern of development in the vicinity, the Baord considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or property in the vicinity and would be in accordance with the provisions of the Dublin City Development Plan 2016-2021. The development proposed for retention and completion would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. Drainage arrangements including the attenuation and disposal of surface water shall comply with the requirements of the planning authority for such works and services.
