The submissions on this file were considered at a Board meeting held on 19/02/2020.

The Board decided not to hold an Oral Hearing and to dismiss this appeal under Section 138 Subsection 1(b) of the Planning and Development Act, 2000 based on the following reasons and considerations.

### **Reasons and Considerations**

The grounds of the appeal relate solely to matters of traffic congestion and the car park facility which was determined under PA Reg Ref 2865/18 and do not raise any substantive planning issues relating to the current case.

The Board is therefore satisfied that, in the particular circumstances, this appeal should not be further considered by it, having regard to the nature of the appeal
