ABP-306383-20

At a meeting held on 07/05/20, the Board considered the report of the Inspector and the documents and submissions on file generally.

Having regard to the provisions of the Planning and Development Act 200, as amended, and the nature of the proposed development which consists of a 220kV Shunt Reactor and associated equipment within the existing Ballyvouskill 220/110kV electricity substation in the townland of Caherdowney in County Cork as set out in the plans and particulars received by An Bord Pleanála on the 8th day of January, 2020, does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended.

The applicant is also advised of referral case ABP 306431-20. Under that case the Board decided by Order dated 7th May 2020, that the construction of 220Kv Shunt Reactors, associated internal compound and associated equipment within the existing Ballyvouskill 220/110kV electricity substation is development and is exempted development.
