The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the current Development Plan for the area and the nature and scale of the proposed development within the urban area of Kilkenny city it is considered that, subject to compliance with the conditions set out below, the proposed development would be acceptable in terms of the impact on adjacent residential amenity and the amenity of occupiers of the house. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The external finishes of the proposed extension shall be the same as those of the existing dwelling in respect of colour and texture.

Reason: In the interest of visual amenity.

3. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.

4. Prior to commencement of development, the applicant or developer shall enter into a water and/or waste water connection agreement(s) with Irish Water.

Reason: In the interest of public health.

5. Site development and building works shall be carried out only between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.
