The submissions on this file and the Inspector's report and addendum report were considered at a Board meeting held on 17/06/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the provisions of the Dun Laoghaire-Rathdown County Development Plan 2016 - 2022 and the zoning for residential purposes, to the location of the site in an established residential area and to the nature, form, scale and design of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1.	<p>The development shall be carried out and completed in accordance with the plans and particulars submitted with the application, as amended by the further plans and particulars submitted to An Bord Pleanála on the 10th day of February 2020, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the Planning Authority, the developer shall agree such details in writing with the Planning Authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>The flat roof elements of the development shall not be used as a terrace, balcony or for any similar amenity purpose.</p> <p>Reason: In the interest of residential amenity.</p>
3.	<p>Notwithstanding the exempted development provisions of the Planning and Development Regulations, 2001, and any statutory provision replacing or amending them, no development falling within Class 1 or Class 3 of Schedule 2, Part 1 of those Regulations shall take place within the curtilage of the existing or permitted house.</p> <p>Reason: In the interest of the amenities of the area.</p>
4.	<p>The bathroom windows shall be fitted and permanently maintained with obscure glass. The use of film is not acceptable.</p> <p>Reason: In the interests of residential amenity.</p>
5.	<p>Details of the materials, colours and textures of all the external finishes to the proposed dwelling shall be submitted to, and agreed in writing with, the Planning Authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>

6.	<p>Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the Planning Authority for such works and services.</p> <p>Reason: In the interest of public health.</p>
7.	<p>The applicant or developer shall enter into water and/or waste water connection agreement(s) with Irish Water, prior to commencement of development.</p> <p>Reason: In the interest of public health.</p>
8.	<p>All public service cables for the development, including electrical and telecommunications cables, shall be located underground throughout the site.</p> <p>Reason: In the interest of visual amenity.</p>
9.	<p>Site development and building works shall be carried out only between the hours of 0800 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the Planning Authority.</p> <p>Reason: In order to safeguard the residential amenities of property in the vicinity.</p>
10.	<p>The developer shall pay to the Planning Authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the Planning Authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the Planning Authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the Planning Authority and the developer or, in default of such agreement, the matter shall</p>

	<p>be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
