

Board Direction BD-006189-20 ABP-306668-20

The submissions on this file and the Inspector's report were considered at a Board meeting held on 30/07/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the location, nature and design of the proposed development and to the zoning objective for the site in the Dublin City Development Plan 2016-2022, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the amenities of the area or property in the vicinity and would not have an adverse effect on the character and setting of the South City Retail Quarter Architectural Conservation Area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1.	The development shall be carried out and completed in accordance with the
	plans and particulars lodged with the application, as amended by the further
	plans and particulars submitted on the 17th day of December 2019, except
	as may otherwise be required in order to comply with the following
	conditions. Where such conditions require details to be agreed with the
	planning authority, the developer shall agree such details in writing with the
	planning authority prior to commencement of development and the
	development shall be carried out and completed in accordance with the
	agreed particulars.
	Reason: In the interest of clarity.
2.	The predominant use of the ground floor unit shall be retail. The café / bar
	within the ground floor unit shall be ancillary to the retail use and shall not
	become the dominant use within the unit without a prior grant of planning
	permission.
	Reason: To restrict the use and clarify the extent of this planning
	permission.
3.	The developer shall comply with the following requirements:
	(i) The construction and operation of the development shall be carried out
	in accordance with the Noise Impact Assessment report submitted to the
	planning authority on the 17 th day of December 2019. The proposed noise
	control measures within this report shall be implemented in full.
	(ii) Music associated with the use shall be inaudible at the nearest noise
	sensitive premises.
	(iii) The noise levels from the site during the operational phase, measured
	as an LAeq (5 min at night, 15 min a day) when all proposed plant is
	operating, shall not exceed the LA90 by 5dB(A) or more.

	Reason: To protect the amenities of property in the vicinity of the site.
4.	The construction of the development shall be managed in accordance with
	a Construction Management Plan, which shall be submitted to, and agreed
	in writing with, the Planning Authority prior to commencement of
	development. This plan shall provide details of intended construction
	practice for the development, including hours of working, noise
	management measures and off-site disposal of construction/demolition
	waste.
	Reason: In the interests of public safety and residential amenity.
5.	Details of the materials, colours and textures of all the external finishes to
	the proposed development shall be submitted to, and agreed in writing with,
	the planning authority prior to commencement of development.
	Reason: In the interest of visual amenity.
6.	Construction Working Hours
7.	The hours of operation of the jazz club and bar shall be between 18:00 -
	23.30 Monday to Wednesday, 17:00 - 02.30 Thursday to Saturday and
	17:00 - 23.30 hours on Sundays.
	The hours of operation of the ground floor retail unit with ancillary café / bar
	shall be 11:00 - 23:30 Monday to Saturday and 12:00 - 23:30 on Sundays.
	Reason: In the interest of the amenities of property in the vicinity.
8.	No signage shall be erected on site or attached to the building without a
	prior grant of planning permission.
	Reason: In the interest of visual amenity.
9.	Drainage arrangements, including the disposal of surface water, shall
	comply with the requirements of the planning authority for such works and
	services.

	Reason: In the interest of public health.
10.	Standard Irish Water
11.	The developer shall facilitate the archaeological appraisal of the site and shall provide for the preservation, recording and protection of archaeological materials or features which may exist within the site. In this regard, the developer shall:
	(a) notify the planning authority in writing at least four weeks prior to the commencement of any site operation (including hydrological and geotechnical investigations) relating to the proposed development, and
	(b) employ a suitably-qualified archaeologist prior to the commencement of development. The archaeologist shall assess the site and monitor all site development works.
	The assessment shall address the following issues:
	(i) the nature and location of archaeological material on the site, and
	(ii) the impact of the proposed development on such archaeological material.
	A report, containing the results of the assessment, shall be submitted to the planning authority and, arising from this assessment, the developer shall agree in writing with the planning authority details regarding any further archaeological requirements (including, if necessary, archaeological excavation) prior to commencement of construction works.
	In default of agreement on any of these requirements, the matter shall be referred to An Bord Pleanála for determination.
	Reason: In order to conserve the archaeological heritage of the area and to secure the preservation (in-situ or by record) and protection of any archaeological remains that may exist within the site.

12.	The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the
	area of the planning authority that is provided or intended to be provided by
	or on behalf of the authority in accordance with the terms of the
	Development Contribution Scheme made under section 48 of the Planning
	and Development Act 2000, as amended. The contribution shall be paid
	prior to commencement of development or in such phased payments as the
	planning authority may facilitate and shall be subject to any applicable
	indexation provisions of the Scheme at the time of payment. Details of the
	application of the terms of the Scheme shall be agreed between the planning
	authority and the developer or, in default of such agreement, the matter shall
	be referred to An Bord Pleanála to determine the proper application of the
	terms of the Scheme.
	Passon: It is a requirement of the Planning and Development Act 2000, as
13.	The developer shall pay to the planning authority a financial contribution in
	respect of the LUAS Cross City Scheme in accordance with the terms of the
	respect of the LUAS Cross City Scheme in accordance with the terms of the Supplementary Development Contribution Scheme made by the planning
