### **Reasons and Considerations**

Having regard to the nature, extent and design of the proposed development and the provisions of the Wicklow County Development Plan 2016 – 2022 and the Ashford Town Plan 2016 - 2022, the Board considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the

planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

(b) Full details of the support guardrails and the level of glazing obscurity to be provided.

Revised drawings and supporting details showing compliance with these requirements shall be submitted to and agreed in writing with the Planning Authority prior to the commencement of development.

**Reason:** In the interest of residential amenity.

3.
