The submissions on this file and the Inspector's report were considered at a Board meeting held on 23/10/2020.

The Board decided to defer consideration of this case and to issue a Section 132 notice to the applicant regarding the following:

Provide revisions to the Natura Impact Statement received by The Board on 22nd June 2020, to incorporate a full appropriate assessment of:-

- the decommissioning and removal of the current on-site wastewater treatment system,
- the provision of the alternative route from the site to the public mains foul sewer, as presented to the Board as an option, by the applicant in the formal submission to The Board received on the 22nd June 2020.

(Allow 6 weeks)

- Upon submission of the revised Natura Impact Statement to the Board, publish a newspaper notice, confirming lodgement of same and inviting submissions by members of the public.

Note 1: Upon receipt of the revised NIS, please circulate to all parties.

Note 2: Upon the expiry of the period for circulation of the NIS and responses from parties and the expiry of the period for submissions from any persons, on foot of the public notice, return file to the Inspector for an Addendum Report.
