At a meeting held on 18/06/2020, the Board considered the report of the Planning Inspector, as well as the documents and submissions on file, in relation to the proposed 110kV control room and associated development at the existing Trien 220/11kV electricity substation in the townland of Trienearagh, County Kerry.

The Board determined, in accordance with the inspector's reasoning and recommendation, that the proposed development, as set out in the plans and particulars received by An Bord Pleanála on the 10th day of March 2020, does not fall within the scope of section 182A of the Planning and Development Act 2000, as amended, and that a planning application should be made in the first instance to Kerry County Council.
