Re: Amending Board Order

S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 30/08/2021.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order dated the 3rd day of September 2020 to amend Condition 2(d) in order to correct an error and facilitate the operation of the permission.

The Board decided that the correction of the abovementioned matter would not result in a material alteration of the terms of the development, the subject of the permission.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the permission/other matter.

Accordingly the Board hereby amends the abovementioned decision by amending Condition Number 2(d), in accordance with the provisions of section 146A(1) of the Planning and Development Act 2000, as amended, as follows:

2.(d) No development shall commence prior to issuance of a waste facility permit.
