The submissions on this file and the Inspector's report were considered at a Board meeting held on 31/08/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the zoning objectives for the site, the pattern of development in the area and the nature and scale of the proposed development it is considered that, subject to compliance with the conditions set out below, the proposed development would be in accordance with the policies and objectives of the Meath County Development Plan 2013-2019 and would not seriously injure the visual or residential amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1.	<p>The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.</p> <p>Reason: In the interest of clarity.</p>
2.	<p>Details of the materials, colours and textures of all the external finishes to the proposed dwelling shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.</p> <p>Reason: In the interest of visual amenity.</p>
3.	<p>A comprehensive boundary treatment and landscaping scheme shall be submitted to and agreed in writing with the planning authority, prior to commencement of development. This scheme shall include details of</p> <ul style="list-style-type: none">(a) proposed locations of trees and other landscape planting in the development, including details of proposed species;(b) details of proposed boundary treatments at the perimeter of the site, including heights, materials and finishes. <p>The boundary treatment and landscaping shall be carried out in accordance with the agreed scheme.</p> <p>Reason: In the interest of visual amenity.</p>
4.	<p>The design of the vehicular entrance to the site from Staleen Road shall include:</p> <ul style="list-style-type: none">(a) The roadside piers shall be set back at least 3 metres from the edge of the road.(b) Gates shall be at least 7m from the edge of the road. <p>Reason: In the interest of traffic safety.</p>

5.	<p>The proposed garage shall not be used for human habitation, commercial use, industrial use or for any other purpose other than a purpose incidental to the enjoyment of the dwelling.</p> <p>Reason: In the interest of clarity.</p>
6.	<p>Drainage arrangements, including the disposal and attenuation of surface water, shall comply with the requirements of the planning authority for such works and services.</p> <p>Reason: In the interest of public health.</p>
7.	<p>The applicant shall enter into water and waste water connection agreements with Irish Water, prior to commencement of development. All work is to comply with current Irish Water Code of Practice for Water and for waste water.</p> <p>Reason: In the interest of public health.</p>
8.	<p>All service cables for the development, including electrical and telecommunications cables, shall be located underground throughout the site.</p> <p>Reason: In the interest of visual amenity.</p>
9.	<p>The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including hours of working, noise management measures, access arrangements and off-site disposal of construction/demolition waste.</p> <p>Reason: In the interests of public safety and residential amenity.</p>
10.	<p>The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable</p>

	<p>indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.</p> <p>Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.</p>
