The submissions on this file and the Inspector's report were considered at a Board meeting held on 08/09/2020.

The Board decided to treat this case under section 139 of the Planning and Development Act, 2000. The Board also decided, based on the Reasons and Considerations set out below / set out on the attached copy of the Inspector's report, that the planning authority be directed, as follows:

Remove condition number 3.

Reasons and Considerations

Having regard to the residential land use zoning of the site and the nature and scale of the proposed development, it is considered that the modifications and requirements of the Planning Authority, in its imposition of Condition No. 3 are not warranted, and that the proposed development, with the omission of this condition, would have no negative visual impact on the existing dwelling or the streetscape. Thus, the proposed development would be in accordance with the proper planning and sustainable development of the area.
