The submissions on this file were considered at a Board meeting held on 30/06/2020.

The Board decided to dismiss this appeal under Section 138 (1)(b)(i) of the Planning and Development Act, 2000 based on the following reasons and considerations.

Reasons and Considerations

The grounds of appeal relate solely to issues to which are outside the scope of the planning application that proposals for changes to the gates or external lighting were not included as part of the application. The Board is therefore satisfied that, in this particular circumstance, this appeal is without substance or foundation, and should not be further considered by it, having regard to the nature of the appeal.
