The request for a time extension was considered at a Board meeting held on 16/07/2020.

The Board decided to grant an extension of time for the lodging of an application for substitute consent for the following reasons and considerations for a period of 12 months from the 10th of June 2020 until the 10th of June 2021 in order to allow for the compilation of information to be include as part of the remedial EIAR.

Reasons and Considerations

The Board noted the request made for an extension of the period for the making of the application for substitute consent in this instance and, taking into account the circumstances pertaining to this case, was of the opinion that an extension of 12 months would be reasonable and appropriate to enable preparation of the remedial Environmental Impact Assessment Report.
