The submissions on this file and the Inspector's report were considered at a Board meeting held on 05/10/2020.

The Board decided to disallow the appeal generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the provisions of Section 254 of the Planning and Development Act 2000, as amended, to national, regional and local policy objectives, as represented in the Limerick City Development Plan 2010 (as extended) , to support the development of a sustainable telecommunications network throughout the city, to the Department of Environment, Heritage and Local Government Section 28 Statutory Guidelines, "Telecommunications Antennae and Support Structures: Guidelines for Planning Authorities, 1996, as updated by circular letter PL 07/12 in 2012, and to the nature and scale of the development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area or of property in the vicinity, would not be prejudicial to public health and would be acceptable in terms of traffic safety and convenience. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. (a) The licence shall be valid for a period of three years only from the date of this Order. The telecommunications structure and related ancillary structures shall then be removed unless, prior to the end of the period, a further licence under Section 254 of the Planning and Development Act 2000, as amended, has been granted for their retention for a further period.  
(b) The site shall be reinstated on removal of the telecommunications structure and ancillary structures. Details relating to the removal and reinstatement shall be submitted to and agreed in writing with the planning authority at least one month before the date of expiry of this licence.  
Reason: To enable the impact and acceptability of the development to be reassessed, having regard to changes in technology and design during the specified period.
  
2. No advertisement or advertisement structure shall be erected or displayed on the proposed structure or within the curtilage of the site.  
Reason: In the interest of the visual amenities of the area.
