The submissions on this file and the Inspector's report were considered at a Board meeting held on 25/11/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

### **Reasons and Considerations**

Having regard to the provisions of the South Dublin County Council Development Plan 2016-2022 and the Telecommunications Antennae and Support Structures Guidelines for Planning Authorities issued by the Department of Housing, Planning and Local Government in 1996 as updated by Circular Letter PL 07/12, it is considered that, subject to compliance with the conditions set out below, the proposed development would be in accordance with the relevant provisions of the South Dublin County Council Development Plan 2016-2022 and would not seriously injure the amenities of the area or residential amenity in the vicinity. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

## **1.0 Conditions**

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application except as may otherwise

be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. (a) This permission shall apply for a period of ten years from the date of this order. The telecommunications structure and related ancillary structures shall then be removed unless, prior to the end of the period, planning permission shall have been granted for their retention for a further period.  
  
(b) The site shall be reinstated on removal of the telecommunications structure and ancillary structures. Details relating to the removal and reinstatement shall be submitted to and agreed in writing with the planning authority at least one month before the date of expiry of this permission.

**Reason:** To enable the impact of the development to be re-assessed, having regard to changes in technology and design during the specified period.

3. The antennae type and mounting configuration shall be in accordance with the details submitted with this application, and notwithstanding the provisions of the Planning and Development Regulations 2001, and any statutory provision amending or replacing them, shall not be altered without a prior grant of planning permission.

**Reason:** To clarify the nature and extent of the permitted development to which this permission relates and to facilitate a full assessment of any future alterations.

4. Surface water drainage arrangements for the proposed development shall comply with the requirements of the planning authority.

**Reason:** In the interest of public health.

5. A low intensity fixed red obstacle light shall be fitted as close to the top of the mast as practicable and shall be visible from all angles in azimuth. Details of this light, its location and period of operation shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of public safety.

6. Details of the proposed colour scheme for the telecommunications structure and ancillary structures shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of the visual amenities of the area.

7. Landscaping of the site shall be carried out in accordance with a landscaping scheme, details of which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of the visual amenities of the area.

8. No advertisement or advertisement structure shall be erected or displayed on the proposed structure or its appendages or within the curtilage of the site without a prior grant of planning permission.

**Reason:** In the interest of the visual amenities of the area.
