The submissions on this file and the Inspector's report were considered at a Board meeting held on 09/12/2020.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the nature and scale of the proposed development, for a single storey extension to the side and rear of a domestic dwelling, and a dormer window to the side roof plane, it is considered that, subject to the conditions set out below, the proposed development would be in accordance with the policies and objectives of the Fingal County Development Plan 2017-2023 and would not seriously injure the visual or residential amenities of the area. The proposed development would, therefore, be in accordance with the RS zoning for the site and with the proper planning and sustainable development of the area.
