

Board Direction BD-007346-21 ABP-308080-20

The submissions on this file and the Inspector's report were considered at a Board meeting held on 19/01/2021.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the nature and scale of the development proposed, to the pattern of development in the vicinity, to the planning history of the subject and adjoining sites, and to the policies of the Dublin City Development Plan 2016 - 2022, it is considered that, subject to compliance with the conditions set out below, the development proposed would not seriously injure the amenities of the area or of property in the vicinity, and would not detract from the character of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

 The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions.
Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development

	shall be carried out and completed in accordance with the agreed particulars.
	Reason: In the interest of clarity.
2.	All windows on the eastern elevation of the proposed dwelling shall be permanently fitted with opaque glazing.
	Reason : In the interest of protecting the residential amenity of the dwellings on Strand Mews.
3.	The flat roof at first floor level shall not be used for recreational purposes and shall not be accessed, except for essential maintenance purposes.
	Reason : In the interest of protecting the res amenity of the dwellings on Strand Mews.
4.	Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the Planning Authority for such works and services.
	Reason: In the interest of public health and to ensure a proper standard of development.
5.	Site development and building works shall be carried out only between the hours of 0800 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority. Reason : In order to safeguard the amenities of property in the vicinity.
6.	All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site. In this regard, ducting shall be provided to facilitate the provision of broadband infrastructure within the proposed development. Reason : In the interest of orderly development and the visual amenities of the area.

7.	The site development works and construction works shall be carried out in
	such a manner as to ensure that the adjoining street(s) are kept clear of
	debris, soil and other material and if the need arises for cleaning works to
	be carried out on the adjoining public roads, the said cleaning works shall
	be carried out at the developer's expense.
	Reason: To ensure that the adjoining roadways are kept in a clean and
	safe condition during construction works in the interests of orderly
	development
8.	Notwithstanding the exempted development provisions of the Planning and
	Development Regulations, 2001, and any statutory provision replacing or
	amending them, no development falling within Classes 1, 3 and 5 of
	Schedule 2, Part 1 to those Regulations shall take place within the curtilage
	of the house without a prior grant of planning permission.
	Reason: In the interest of orderly development, and to allow the planning
	authority to assess the impact of any such development on the amenities of
	the area through the statutory planning process
