Re: Amending Board Order
S146A of the Planning and Development Act, 2000, as amended

The submissions on this file were considered at a Board meeting held on 12/05/2021.

The Board decided to exercise its powers under section 146A(1)(b) of the Planning and Development Act 2000, as amended, to amend its Order of 17th day of February 2021 by the deletion of condition number 12, as the inclusion of condition number 12 is not necessary having regard to the provisions for potable water supply and waste water disposal included in condition numbers, 7, 8, 9, 10 and 11.

The Board decided that the amendment of the Board Order would not result in a material alteration of the terms of the development, the subject of the permission or decision.

Having regard to the nature of the issue involved, the Board decided not to invite submissions in relation to the matter from any person who had made submissions or observations to the Board in relation to the development.

Accordingly the Board hereby amends the above-mentioned decision by deleting condition number 12, in accordance with the provisions of section 146A(1) of the Planning and Development Act, 2000, as amended.
