The submissions on this file and the Inspector's report were considered at a Board meeting held on 20/01/2021.

The Board decided to grant permission generally in accordance with the Inspector's recommendation, for the following reasons and considerations, and subject to the following conditions.

Reasons and Considerations

Having regard to the zoning objective for the area, the design and form of the proposed development and the pattern of development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would be generally in accordance with the Cork County Development Plan 2014-2020, would not seriously injure the amenities of adjacent residential neighbourhoods or of the property in the vicinity, would not be prejudicial to public and environmental health and would be acceptable in terms of traffic safety and convenience. The proposed development would therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The proposed development shall be carried out in accordance with the plans and particulars lodged with the application as amended by the further information submitted on 28th day of August 2020 and particulars received by An Bord Pleanála on 20th day of October 2020 except as may otherwise be required in order to comply with the following conditions.

Reason: In the interest of clarity.

2. Entrance from the public road shall be in accordance with the detailed requirements of the planning authority for such works.

Reason: In the interest of amenities and public safety.

3. Prior to the commencement of development details of the materials, colours and textures of all the external finishes of the proposed development shall be submitted to the planning authority for agreement.

Reason: In the interest of orderly development and in the interest of visual amenity.

4. Prior to commencement of development, the developer shall enter into a water and/or wastewater connection agreement(s) with Irish Water.

Reason: In the interest of public health.

5. Water supply and drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and to ensure a proper standard of development.

6. All service cables associated with the proposed development (such as electrical, communal television, telephone and public lighting cables) shall be run underground within the site. In this regard ducting shall be provided to facilitate the provision of broadband infrastructure within the development.

Reason: In the interest of orderly development and the visual amenities of the area.

7. Construction and demolition waste shall be managed in accordance with a construction waste and demolition management plan, which shall be submitted to, and agreed in writing with the planning authority prior to commencement of development. This plan shall be prepared in accordance with “Best Practice Guidelines on the Preparation of Waste Management Plans for Construction and Demolition Projects”, published by the Department of the Environment, Heritage and Local Government in July 2006.

Reason: In the interest of sustainable waste management.

8. Detailed measures in relation to the protection of bats shall be submitted to and agreed in writing with the planning authority, prior to commencement of development. These measures shall be implemented as part of development. Any envisaged destruction of structures that support bat populations shall be carried out only under licence from the National Parks and Wildlife Service and details of any such licence shall be submitted to the Planning Authority.

Reason: In the interest of wildlife protection.

9. Development described in Classes 1 or 3 of Part 1 of Schedule 2 to the Planning and Development Regulations, 2001, or any statutory provision modifying or replacing them, shall not be carried out within the curtilage of the proposed development without a prior grant of planning permission.

Reason: In the interest of residential amenity.

10. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting the development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000. The contribution shall be paid prior to the commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the scheme at the time of payment.

Details of the application of the terms of the scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to the Board to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000 that a condition requiring a contribution in accordance with the Development Contributions Scheme made under section 48 if the Act be applied to the permission.
