The submissions on this file and the Inspector's report were considered at a Board meeting held on 20/01/2021.

The Board decided to refuse permission for the following reasons and considerations.

### **Reasons and Considerations**

As per PA

In deciding not to accept the Inspector's recommendation to grant permission, the Board concurred with the Planning Authorities assessment and considered that the proposal would not be compatible with the designation of the Boreenmanna Road as a key part of the Core Bus Network and as a primary cycle link, would not be acceptable from a traffic safety perspective and would set an undesirable precedent in the area.
