At a meeting held on 04/02/2021, the Board considered the report of the Inspector and the documents and submissions on file generally.

Having regard to the provisions of the Planning and Development Act 2000, as amended, and the nature of the proposed development consisting of 2 no. grid connections from the permitted 110kV GIS substation and new grid connection works to connect to the Grange Castle 110kV substations at Grange Castle Business Park, Lucan, Dublin 22, as set out in the plans and particulars received by An Bord Pleanála on the 13th day of November 2020 and the 16th day of January 2021, it is considered that the proposed development falls within the scope of section 182A of the Planning and Development Act 2000, as amended, and is therefore strategic infrastructure within the meaning of the Act. Accordingly, a planning application should be made directly to the Board.
